Anchor Academy believes that the success of **Mission Trip Bolivia** is a team effort. While some will go as the “Sent,” others will partner together as the “Senders.” If you wish to partner with the team as a “Sender”, you may help in one or two ways:

- 1) **Prayer** - please pray faithfully for the team as they prepare to minister together.
- 2) **Donate** - as God leads you, please consider donating funds to this worthwhile cause. Each student is required to raise \$1,250.

The team will also be purchasing socks, shoes, and other items to give to orphans, plus purchase materials for building/maintenance projects.

Donations over \$10 that are made payable to Anchor Academy will be issued a tax deductible receipt. If you are donating for a specific student or to purchase a specific item, please attach a note with your return mailing address and how you want the funds designated.

Anchor Academy invites you to partner together to make an eternal difference in the lives of students, orphans and the impoverished of Bolivia.
